Community education on the health and wellbeing of refugees and migrants

Date: Friday 21 June 2013, 9.00am - 3.00pm

Venue: Lady Hale Building, University of Salford

This event is free to attend.

A conference to inform local communities on the issues and problems faced by refugees and migrants in Salford.

The ethnic diversity of Salford has changed significantly in recent years. This conference will provide information on the changing face of the BAME, Refugees and Migrant population in Salford and how their needs can be met more effectively.

Highlights of the day

- Hear personal testimonies from refugees and migrants
- Understand the problems faced by refugees and migrants
- Find out more about the key service needs across health, housing, education and employment.

By attending you will also have the opportunity to discuss topics facing refugees and migrants with key speakers from various local charities and organisations.

This event is supported by Salford Forum for Refugees and People Seeking Asylum, Europaia, Greater Manchester BME Network, Refugee Action, Salford City Council, Salix Homes, Trafford Rape Crisis, British Heart Foundation, North West Ambulance Service NHS Trust, University and College Union (UCU), NESTAC, Lesbian Immigration Support Group, Revive, Visible Outcomes, Salford Sista's Choir, Greater Manchester Fire and Rescue Service, Freedom From Torture.
